

2010 ISA Prairie Chapter Conference

The City of Saskatoon is proud to be the host city for the 2010 ISA Prairie Chapter conference and Tree Climbing Championships. The conference will be held September 29- October 1, 2010 followed by the TCC October 2-3.

This year we are pleased to announce Dr. Ed Gilman as our Keynote speaker for the conference. Ed is well respected as a writer and educator and we couldn't be happier to be bringing him to Saskatoon. Other notables include Phillip van Wassenauer, Verna Mumby, Dwayne Neustaeter and Brian French and Martha Barwinsky to name a few. You will see the full agenda included with the registration package at www.isaprairie.com. We hope the line up will be good mix of information for everyone in attendance.

This year's conference will be held at the historic Delta Bessborough located along the scenic South Saskatchewan River. The Delta Bessborough can be contacted for room reservations. In order to get a discounted room rate, please quote the conference code bpintern928.

Stay tuned for more information about the Tree Climbing Championships to be held October 2-3, located in Kiwanis Memorial Park directly outside the Delta Bessborough. We are expecting a lot of climbers this year so don't miss out.
